**Yuan Source Points**

Definition:

Where original Qi gathers and lingers

Indications:

- General:
  - If tender, there is disharmony
  - Treat Zang Organ problems
- Yin/Yang
  - Yin channels
    - Tonify and regulate their respective Zang organs
  - Yang channels
    - Dispel excess pathogenic factors

- treat disorders along the pathway of their respective meridian. (LI 4 for example)

### Luo Connecting Points

Joins the internally and externally connected channels. Then continue on their own paths. Run superficially.

Indications:

1. Treat external and internal channels or Zang Fu diseases
2. Treat disorders in regions reached by the Luo connecting channel.
3. Treat psycho-emotional disorders

Host/Guest combinations

1. Use the yuan source point on the first diseased channel, use the luo connecting point on the 2<sup>nd</sup> diseased channel.
2. To treat only one organ/Zangfu disease: Yuan source on diseased/Zang fu channel, Luo connecting of the paired channel.

### Back Shu Points

Functions:

1. Transport qi btwn point and zang organ.
2. lie on bladder channel 1.5 cun from midline

Indications

1. Treat Zang and Fu problems, mostly Zang.
  - a. Combine with Yuan source pt

- b. Point will be tender when there is disharmony
- 2. Treat 5 sense organ problems
- 3. treat connective tissue – bone (KI), muscle (SP)
