

Lung Channel of the Hand Taiyin

Point	Category	Indication/Action
LU 1	Front Mu Point Meeting pt of LU/SP ch	Front Mu (treat the Zang organ): <ul style="list-style-type: none"> • Respiratory • Chest problems • Edema • Sore throat • Skin problems • Grief Meeting of LU/SP <ul style="list-style-type: none"> • Digestive: nausea, vomiting, constipation, diarrhea Local problems <ul style="list-style-type: none"> • Shoulder pain
LU 2		Local problems <ul style="list-style-type: none"> • Lung • Chest • Shoulder
LU 3	Window of Sky/Heaven	Windows of Sky (disharmony, throat, psychoemo) <ul style="list-style-type: none"> • Rebellious Lung Qi • Liver fire attacking Lung • Goiter, scrofula, throat disorder • Psycho-emo disorders Local problems: arm pain/stiffness
LU 4		Lung Channel/Chest problems Local problems
LU 5	He-Sea/Water point (child point of LU ch)	He-Sea indications (counterflow of LU qi) Water point indications: Since is child, clears excess/deficient heat in Lungs (reducing function) Digestive problems (counterflow of qi again): vom/diarr/ab dist Local problems Restricted movement of elbow, elbow pain
LU 6	Xi Cleft point of LU ch	Xi Cleft Point indications (acute + bleeding) <ul style="list-style-type: none"> • Acute: cough, wheeze, asthma of any pattern • Bleeding: for LU, ST, LI Local problems

Point	Category	Indication/Action
LU 7	Luo Connecting Ch Pt Confluent w/Ren Command Pt – head/nape	<p>Luo Connecting Point indic's</p> <ul style="list-style-type: none"> • Collateral <ul style="list-style-type: none"> ○ thumb disorders • Int/Ext Channel and ZangFu <ul style="list-style-type: none"> ○ Lung: respir, nasal, expel wind ○ LI: headache, nape/neck pain, wind affx head • Psychoemo <p>Command Point</p> <ul style="list-style-type: none"> • Head/Nape of neck problems <p>Confluent Pt of Ren channel</p> <ul style="list-style-type: none"> • Uterus, lower ab area • Bladder • Throat Pain <p>Local Problems</p>
LU 8	Jing River & Metal (horary) pt	<p>Jing River and Metal/Horary point</p> <p>Cough, asthma, wheeze, dyspnea, etc. + febrile</p> <p>Local Area problems</p> <p>Wrist, etc.</p>
LU 9	Shu-Stream & Earth Pt Yuan Source Pt Hui Meeting of Vessels	<p>Yuan Source (plus shu-stream/earth)</p> <p>*Essential point to tonify Lung Qi and Yin*</p> <ul style="list-style-type: none"> • Respiratory problems • Throat problems • Chest <p>Hui Meeting of Vessels</p> <ul style="list-style-type: none"> • Bleeding (vessels) • Blood stasis • Pulse (pain w/choppy) <p>Shu Stream/Earth of Lung with origins in MJ</p> <p>Local problems</p>
LU 10	Ying Spring & Fire Pt	<p>Ying Spring and Fire indications</p> <ul style="list-style-type: none"> • Clear heat from Lung organ and channel <ul style="list-style-type: none"> ○ Channel: throat disorders ○ Organ: respiratory <p>Clear heat from channel and Zang, clears heat transmitted from Lung to Stomach and Heart</p>

Point	Category	Indication/Action
		<p>Harmonizes Lung and Heart, + Shen.</p> <p>Because LU channel originates in MJ, then to LI, ab pain and impairments due to eat/drink or lack thereof</p> <p>Local problems: heat/pain in thumb. Elbow, arm.</p>
LU 11	Jing-Well & Wood Pt Ghost Point (Sun)	<p>Jing Well and Wood indications</p> <ul style="list-style-type: none"> • Agitation of heart w/cough, dyspnea • Indigestion • Sore throat/painful obstruction (use bloodletting) • Clear heat <p>Ghost point actions: depression, mania, childhood fright</p> <p>Local problems: thumb</p>

Large Intestine Channel of the Hand Yangming

Point	Category	Indications/Actions
LI 1	Jing-Well & Metal Pt (Horary point)	Problems on the LI channel pathway: Throat Jing Well Point indications <ul style="list-style-type: none"> • Clear heat • Restore consciousness, rescue collapse • Treat uppermost reaches: throat • Fullness below heart
LI 2	Ying-Spring & Water Pt (child point)	Ying Spring indications <ul style="list-style-type: none"> • Heat disorders affecting the upper portion of channel - face and head Local point: finger
LI 3	Shu Stream & Wood Pt	Shu Stream point <ul style="list-style-type: none"> • Heaviness in body, pain in joints: Local Problems! • Disorders of Yang channels
LI 4	Yuan Source Point Cmd Pt: Face/mouth Entry Pt for LI channel Contra: not for pregs!!	Move Blood and Qi Yuan Source indications <ul style="list-style-type: none"> • Regulates course of whole Yang channel <ul style="list-style-type: none"> ○ Elbow, arm, neck, shoulder, back ○ Face/mouth Balance Yang: <ul style="list-style-type: none"> • Clear pathogenic w/h, w/c <p style="text-align: center;">Use host/guest: LI4 + LU7</p> <ul style="list-style-type: none"> • Clear heat Entry Point for Lung related problems <ul style="list-style-type: none"> • Dispel exterior wind • Expel interior wind/tremors • Sweating: copious, none, LI organ problems combine with lower leg points
LI 5	Jing River & Fire Pt	Jing River/Fire indications <ul style="list-style-type: none"> • Clear Heat! <ul style="list-style-type: none"> ○ LI channel heat ○ Yangming fire → Heart and Spirit (psy-emo)

Point	Category	Indications/Actions
		Used for stopping smoking Local problems: wrist pain, paralysis, limited movement, muscle atrophy
LI 6	Luo Connecting Point	Treat int/ext related channel or zangfu problems <ul style="list-style-type: none"> Lung channel: acute edema, esp in upper body <p>LU 9 and LI 6 host/guest to open/regulate water passages. For acute edema upper body with no sweating and difficult urination.</p> <ul style="list-style-type: none"> LI channel: shoulder, arm, finger (used as Ashi) Treat disorders in regions reached by channel <ul style="list-style-type: none"> Ear Tooth
LI 7	Xi Cleft Point	Xi Cleft indications <ul style="list-style-type: none"> Acute disorders, pain affecting LI channel Clr heat, detox poisons: skin and face. Skin problems: from toxic heat Psy-emo problems: mania LI Organ problems with local ab points and/or leg points Local problems
LI 8		Parallels between this point and ST 39, lower He-Sea for SI <ul style="list-style-type: none"> SI problems LI pathway problems <ul style="list-style-type: none"> Arm Psycho-emotional problems Mastitis (w/LI 11)
LI 9		Parallels between this point and ST 37, lower He-Sea for LI <ul style="list-style-type: none"> LI organ (theoretically) LI Channel: arm, esp tennis elbow

Point	Category	Indications/Actions
LI 10		<p>Parallels between this point and ST 36, lower He-Sea for ST But not as strong.</p> <ul style="list-style-type: none"> • Tonify Qi and Blood (use w/ST 36) • Move Qi and Blood <ul style="list-style-type: none"> ○ Tennis elbow ○ <i>Acute</i> lumbar muscle strain
LI 11	He Sea & Earth Point Ghost Point (Sun Simiao)	<p>Clear heat – one of foremost pts on body to clr heat/fire</p> <ul style="list-style-type: none"> • Heat • Shen • Hypertension <p>He-Sea applications</p> <ul style="list-style-type: none"> • Counterflow of qi/diarrhea • Skin diseases: any kind of skin disease were redness is seen (indicating heat) <p>Earth point applications</p> <ul style="list-style-type: none"> • Flow of qi/blood upper limb – LI Channel shoulder pain face, head. <p>Local applications:</p> <ul style="list-style-type: none"> • Best point for Tennis Elbow
LI 12		Local problems
LI 13		Local problems
LI 14		Local problems Shoulder pain
LI 15		Local problems: Any kind of shoulder pain – excess or deficient
LI 16		Local problems Caution: deep insertion = risk of pneumothorax!
LI 17		Local problems Caution: deep needling = risk of puncture to carotid artery or jugular vein
LI 18	Window of Sky/Heaven	Local problems Window of Sky applications: psych-emo

Point	Category	Indications/Actions
LI 19		Local problems: <ul style="list-style-type: none"> • Nose – congestion, sores, allergies, polyps • Mouth – Bell’s palsy, paralysis, twitching Contraindicated for moxa!
LI 20		Local problems: <ul style="list-style-type: none"> • Nose – congestion, sores, allergies, polyps • Mouth – Bell’s palsy, paralysis, twitching Contraindicated for moxa!

Stomach Channel of the Foot Yangming

Point	Categories	Symptoms/Indications
ST 1		<ol style="list-style-type: none"> 1. Eye problems 2. Eyelid <p>Contra: moxa</p>
ST 2		<ol style="list-style-type: none"> 1. Eye problems 2. Face problems <p>Contra: Moxa</p>
ST 3	Mtg pt of ST and Yang Motility Vessel	<ol style="list-style-type: none"> 1. Face 2. Upper teeth 3. Nose 4. Local problems – not for probs anywhere else on channel
ST 4	Mtg pt of ST/LI with Yang Motility Vessel and Ren Vessel	<ol style="list-style-type: none"> 1. Mouth 2. Face
Group:	ST 5-8	Mostly for Local problems – face and sense organs
ST 5		<ol style="list-style-type: none"> 1. Face 2. Lower Teeth 3. Jaw <p>Vigorous manipulation is contraindicated due to the facial artery here.</p>
ST 6	Ghost Point (SSMiao)	<ol style="list-style-type: none"> 1. Face 2. Lower teeth 3. Jaw 4. Ghost point indications – epilepsy, calm Shen disorder
ST 7		<ol style="list-style-type: none"> 1. Joint problems in Jaw 2. Face
ST 8		<ol style="list-style-type: none"> 1. Headache <p>very gentle stimulation, use distal points to balance</p> <ol style="list-style-type: none"> a. Shaoyang/Temporal – Gallbladder Channel b. Yangming/Forehead – Stomach Channel <p>Contra: moxa (hair)</p>
ST 9	Window of Sky <i>Located on anterior border of SCM</i>	<ol style="list-style-type: none"> 1. Local problems 2. Lower the blood pressure <p>Contra: moxa (hair) Caution: carotid artery deep to here.</p>

ST 10		<p><i>Located on anterior border of SCM</i></p> <p>1. Local problems</p> <p>Caution: carotid artery deep to here.</p>
ST 11		<p><i>Located between sternal and clav heads anterior border of clavicle</i></p> <p>1. Local problems (esophageal)</p>
ST 12	Mtg pt of all yang except for UB	<p>1. Local problems</p> <p>Contra: preppers.</p> <p>Caution:</p> <ol style="list-style-type: none"> transverse cervical artery subclavian vessels pntx.
Group:	St 13-18	upper ab points, mostly for local problems. All at mamillary line in intercostal spaces...exception = ST 17
St 13		<p>1. Local problems</p> <p>Caution: pntx</p>
ST 14		<p>1. Local problems</p> <p>Caution: pntx</p>
ST 15		<p>1. Local problems</p> <p>Caution: pntx</p>
ST 16		<p>1. Local problems</p> <p>Caution: pntx</p>
ST 17		Contra: everything!
ST 18		<p>1. Local problems</p> <p>2. One of the best for breast problems (mastitis, no milk, etc.)</p> <p>Caution: pntx</p>
Group:	ST 19-24	Lower ab points, 2 cun from anterior midline of the body. All carry risk of organ puncture! Always needle trans or obliquely downward.
ST 19		<p>1. Digestive problems (mostly stomach related)</p> <p>2. Local problems</p> <p>Caution: enlarged heart on left, enlarged liver on right.</p>

ST 20		<ol style="list-style-type: none"> 1. Digestive problems (mostly stomach related) 2. Local problems <p>Caution: peritoneal puncture, enlarged liver on right</p>

Heart Channel of the Hand Shaoyin

Point	Categories	Indication/Contras/Cautions
HT 1		Caution: 1) axillary artery, 2) medial twd chest = risk pnthx
HT 2		Caution: brachial artery
HT 3	He Sea point	1) Heart Organ problems: both physical and emotional (Shen) <i>Best Heart point to regulate Shen</i> Contraindication: no moxa per ancient texts.
HT 4	Jing River <i>Mostly = pain</i>	1) Chest pain and tightness 2) Psycho-emotional 3) Heart problems – physical and shen 4) Local problems
HT 5	Luo Connecting Point <i>Mostly for speech probs</i>	1) Luo Connecting point a. Collateral problems- <i>tongue</i> b. SI and HT channel problems (SI = freq urin, irritability HT = both organ and local) c. Treat psycho-emo 2) Heart problems – physical and Shen 3) Local problems
HT 6	Xi-Cleft point	1) Xi-Cleft applications a. Acute pain – heart pain b. Blood disorders: i. Bleeding ii. Night sweats due to either Yin xu or Heart blood xu. 2) Heart problems – physical and Shen 3) Local problems
HT 7	Yuan Source Shu Stream	1) Calm Shen <i>Best pt for calming Shen disorders – any differentiation.</i> 2) Yuan Source application Tonify deficiency 3) Heart problems – physical and Shen 4) Local problems Caution: ulnar nerve and artery
HT 8	Ying Spring point	1) Fire point of the Fire channel <i>clears Heart heat</i>
HT 9	Jing Well point	1) Pain at the root of the <i>tongue</i> 2) Pain and redness of the <i>eyes</i>

Small Intestine Channel of the Hand Taiyang

Point	Categories	Indication/Contras/Cautions
SI 1	Jing Well of SI	Best for lactation problems Also treats mastitis
SI 2	Ying Spring of SI	1. Heat symptoms along the channel 2. Deafness/ear problems: use in conjunc SI 2, SI 3, LI 6
SI 3	Shu Stream of SI Confluent of Du Vessel	1. Shu Stream <ol style="list-style-type: none"> Joint pain along channel : neck, shoulder, elbow, arm. Regulate disorders of Taiyang channel and Du vessel. 2. Confluent/opens to Du Vessel – Du channel problems <ol style="list-style-type: none"> Ascends along spinal column, so occipital headache, stiffness and pain in the neck, scapula, lumbar and upper spine. Taiyang stage problems chills/fever with severe neck/spinal pain. Epilepsy 3. Ode of the Obstructed River Diseases of governing vessel and mania/depression.
		<p style="text-align: center;">Tai Yang Stage Symptoms</p> <ul style="list-style-type: none"> ◆ Chills/fever accomp by severe neck/spinal pain ◆ Starts with wind/cold invasion <p>Choose points on upper back, bladder channel</p> <p style="text-align: center;">Du/Gov Vessel</p> <p>Pathway? Lower ab/uterus → perineum → spinal column → Du 16. Splits from here, enters brain and vertex of head.</p>
SI 4	Yuan Source of SI	Jaundice
SI 5	Jing River of SI	
SI 6	Xi Cleft of SI	1. Ashi 2. Xi Cleft apps <ol style="list-style-type: none"> Acute pain along channel 3. Eye problems

Point	Categories	Indication/Contras/Cautions
SI 7	Luo Connecting of SI	Luo Connecting applications 1. General collateral dysfunction: Excess = slack joints, elbow immobile Defic = warts 2. Psycho/emo and int/ext connection: Calm heart spirit Host/guest combination: Yuan (Ht 7) + Luo (SI 7) for psycho/emo.
SI 8	He Sea of SI (earth pt)	He Sea and Earth apps 1. Joint pain 2. Scrofula/goiter/nodules (caused by dampness, water ctrl'd by earth element) Calms Shen.
SI 9		Shoulder pain Caution: risk of pnthx with oblique medial insertion
SI 10	Mtg of SI and BL with Yang Linking and Yang Motility	Shoulder problems Caution: risk of pnthx with oblique medial insertion
SI 11		Shoulder pain Caution: risk of pnthx with oblique medial insertion
SI 12	Mtg of SI, LI, SJ, GB	Shoulder Caution: risk of pnthx with oblique medial insertion
SI 13		Caution: Risk of pnthx with perp puncture
SI 14		Caution: Risk of pnthx with perp puncture
SI 15		Caution: Risk of pnthx with perp puncture
SI 16 & 17	Window of Sky points	
SI 18		Face Contra to moxa
SI 19		Ear – any kind of ear problem Calm Shen

Kidney Channel of the Foot Shaoyin

Point	Categories	Indication/Contras/Cautions
K 1	Jing Well	<ol style="list-style-type: none"> 1. Jing Well point 2. Harmonize Heart and Kidney 3. Descend Lung Qi 4. Descend Liver Yang Rising due to strong descend heat function (part of jing well applications?) Look for headache, dizziness, tongue ulcers 5. Throat problems 6. Urinary problems 7. Constipation 8. Ear, eyes 9. Foot pain, poor foot circulation. (local)
K 2	Ying Spring	Clear heat – strongest point on the Kidney channel to clear deficient heat from the Kidney channel.
K 3	Shu Stream Yuan Source	<p>Yuan Source applications: Principal point on Kidney channel to tonify and treat disharmony of Kidney zang. And since the Kidney controls the following, this point can treat problems there...</p> <ol style="list-style-type: none"> 1. 2 lower yin orificies: anus, urethra 2. Throat 3. Brain 4. Ears 5. Teeth 6. Lumbar region 7. Heel pain 8. Heart/Kidney disharmony (insomnia/anxiety) 9. Lung 10. Penetrating (Chong) and Conception (Ren) vessels (both have their root in and are nourished by Kidney) <p><i>Review Chong and Ren Channel info!!!</i></p>

Point	Categories	Indication/Contras/Cautions
K 4	Luo connecting point	<p>Luo Connecting applications</p> <ol style="list-style-type: none"> 1. The 3 Luo dysfunctions: <ol style="list-style-type: none"> a. Rebellion of Qi irritability and chest oppression b. Excess retention and/or dripping of urine c. Deficiency lumbar pain, which is also connected to Bladder channel. 2. Treat disorders in areas reached by Luo Connecting channel 3. Psycho-emotional disorders <p>Heel pain</p>
K 5	Xi Cleft of Kidney Channel	Menstrual disorders: blood xu or stasis
K 6	Confluent of Yin Qiao (aka Yin Motility)	<ol style="list-style-type: none"> 1. Open to Yin Qiao/Motility <ol style="list-style-type: none"> a. Throat (K 6 better for this than other K's) b. Lower ab and genitals. 2. Nourish Kidney Yin 3. Reproductive problems <p><i>Review the Yin Qiao Channel information! Compare to BL 62!</i></p>
K 7	Jing River	<p>One of most important points on <i>kidney</i> channel to control body fluids:</p> <ul style="list-style-type: none"> ◆ Regulate sweating (both night and spontaneous) ◆ Treat edema
K 8	Xi Cleft of <i>Yin Qiao/Motility</i>	XiCleft of Yin Qiao: bleeding, regulate menses
K 9	Xi Cleft of <i>Yin Wei/Linking</i>	Xi Cleft of Yin Wei
K 10	He Sea	<ol style="list-style-type: none"> 1. He Sea: Drain Dampness and Damp Heat in the lower jiao. 2. Horary point of Kidney channel

Point	Categories	Indication/Contras/Cautions
	K 11-16	Meeting of Kidney with Chong Channel. (Review Chong Channel above.) Lower ab points. Application is mostly reproductive Most commonly used: K 12 (ovulation)
	K 17 – 21	Meeting of Kidney with Chong Channel. (Same as previous- review Chong channel) Upper ab points. Application if used is mostly digestive.
	K 22 – 27	No categories. There is a treatment for physical/emotional trauma or continued stress which K 27, K 16, K 6

Bladder Channel of the Foot Taiyang

Point	Category	Indications and notes
BL 1		Nothin' special...
BL 2		Local: eye problems
BL 3 – 6		No special indications
BL 7		<ol style="list-style-type: none"> 1. Nasal congestion 2. Vertex problems, headache
BL 8 – 9		No special things to know – not often used.
BL 10	Window of Sky	<ol style="list-style-type: none"> 1. Stiff neck, local problems, and wind invasions 2. Occipital headaches
NOTE:	Bladder Lines	<p>There are 2 Bladder Channel lines on the posterior region of the trunk, both running parallel to the spine. The points on both lines are level with and lateral to the lower border of the spinous processes of the thoracic and lumbar vertebrae. Where the study notes below indicate “level with T1” or “level with L2” this is what that means. I just didn't want to take the time to write that over and over!</p> <p>The 1st Bladder line, running 1.5 cun lateral to the posterior midline (and consequently the Du Channel) contains the Back Shu points and two Hui Meeting points.</p> <p>The 2nd Bladder line, running 3 cun lateral to the posterior midline, couples with the points on the 1st Bladder line which will be noted in the stuff below. Be aware that while the 2nd Bladder line points have no categories into which the points fall, some of them still have indications you need to know for the test.</p>
Grouping:	BL 11, 12/41, 13/42 - all have risk of pneumothorax!!!	
BL 11	Hui Meeting Point of Bone	<p>Hui Meeting Point of Bone:</p> <ol style="list-style-type: none"> 1. Bony painful obstructions <p>Common to this grouping:</p> <ol style="list-style-type: none"> 1. Expel exterior wind: exterior syndrome 2. Respiratory problems 3. Local problems – upper back pain, neck pain. <p><i>Level with T1</i></p>
BL 12		<p>Special to BL 12:</p> <p>This point is called the Wind gate. Use it for exterior syndromes.</p> <p>Common to this grouping:</p> <ol style="list-style-type: none"> 1. Expel exterior wind: exterior syndrome

Point	Category	Indications and notes
		2. Respiratory problems 3. Local problems – upper back pain, neck pain. <i>Level with T2, coupled with BL 41</i> BL 41: Remember the “common to this grouping” stuff above
BL 13	Back Shu of Lung	Back Shu of Lung: 1. Respiratory problems 2. Skin problems 3. Water passage (i.e., regulates water metabolism problems like upper body edema) 4. Nasal problems Common to this grouping: 1. Expel exterior wind: exterior syndrome 2. Respiratory problems 3. Local problems – upper back pain, neck pain. <i>Level with T3, coupled with BL 42</i> BL 42: Remember the “common to this grouping” stuff above.
Grouping:	BL 14/43, 15/44 - all have risk of pneumothorax!!	
BL 14	Back Shu of Pericardium	Need to remember the category only for BL 14. <i>Level with T4, coupled with BL 43</i> BL 43: This is the “Vital Region Shu” or <i>Gao huang shu</i> , the Chinese name. 1. Tonify every kind of Xu – Qi, Blood, Yin and Yang 2. Tonify the immune system. 3. Treats chronic asthma and prevents asthma attacks 4. Resolves phlegm
BL 15	Back Shu of Heart	Need to remember the category only for BL 15. <i>Level with T5, coupled with BL 44</i> BL 44: No special things to remember about BL 44.

Point	Category	Indications and notes
Grouping:		BL 16/45, 17/46 - all have risk of pneumothorax!!
BL 16		<p>This is the “Du Shu,” relieves the exterior (i.e., chills/fever_</p> <p><i>Level with T6, coupled with BL 45</i></p> <p>BL 45: Nothing special to remember about BL 45.</p>
BL 17	<p>Hui Meeting Point of Blood</p> <p>Back Shu of Diaphragm</p>	<p>Back Shu of Diaphragm Even though it’s not an official designation, remember it!</p> <p>Hui Meeting Point of Blood Blood heat, Blood stasis, Blood deficiency</p> <p>Four Flower Points: BL 17 + BL 19 needled bilaterally Treats taxation consumption/deficiency disorder (i.e.night sweats, tidal fever, etc.)</p> <p>Six Flower Points: BL 17 + 19 + 20 needled bilaterally Japanese technique, usually with moxa.</p> <p><i>Level with T7, coupled with BL 46</i></p> <p>BL 46: Nothing special to remember about BL 46.</p>
Grouping:		BL 18/47, 19/48 - all have risk of pneumothorax!!
BL 18	Back Shu of Liver	<p>Any problems related to Liver channel or organ!</p> <ol style="list-style-type: none"> 1. Eyes 2. Tendons 3. Blood 4. Emotions 5. Liver Qi Stagnation 6. Liver Yang Rising <p><i>Level with T9, coupled with BL 47.</i></p> <p>BL 47: Nothing special to remember about BL 47.</p>

Point	Category	Indications and notes
BL 19	Back Shu of Gallbladder	<p>Back Shu of Gallbladder Shen – Hard to make decisions, timidity</p> <p>Four Flower Points: BL 17 + BL 19 needled bilaterally Treats taxation consumption/deficiency disorder (i.e. night sweats, tidal fever, etc.)</p> <p><i>Level with T10, coupled with BL 48</i></p> <p>BL 48: Nothing special to remember about BL 48.</p>
Grouping:	BL 20/49, 21/50 (risk of pneumothorax), 22/51 (risk kidney punc)	
BL 20	Back Shu of Spleen	<p>Any problems related to the Spleen</p> <p>Back Shu of Spleen:</p> <ol style="list-style-type: none"> 1. Digestive problems 2. Transforms dampness 3. Qi and/or Blood deficiency <p><i>Level with T11, coupled with BL 49</i></p> <p>BL 49: No special stuff to remember.</p>
BL 21	Back Shu of Stomach	<p>Remember the category.</p> <p><i>Level with T 12, coupled with Bl 50</i></p> <p>BL 50: Nada.</p>
BL 22	Back Shu of San Jiao	<p>Remember the category.</p> <p><i>Level with L1, coupled with BL 51.</i></p> <p>BL 51: Zip.</p>

Point	Category	Indications and notes
Grouping:	BL 23/52. Both have risk of kidney injury/puncture.	
BL 23	Back Shu of Kidney	<ol style="list-style-type: none"> 1. Treat any kind of Kidney deficiency Includes Kidney Yang xu, Kidney Yin xu, Kidney Qi xu, Kidney Essence xu. 2. Tonify Kidney. <p><i>Level with L2, coupled with BL 52.</i></p> <p>BL 52: Tonify Kidney.</p> <p><i>Note: remember all those Kidney applications from Foundations!</i></p>
Grouping:	BL 24, 25, 26, 27, 28/53, 29, 30/54	
BL 24		Local problems only. (<i>Level with L3</i>)
BL 25	Back Shu of Large Intestine	Remember the category and that it treats local problems. (<i>Level with L4</i>)
BL 26		Local problems only. (<i>Level with L5</i>)
BL 27	Back Shu of Small Intestine	Remember the category and that it treats local problems. (<i>Level with S1</i>)
BL 28	Back Shu of Bladder	Remember the category and that it treats local problems. <i>Level with S2, coupled with BL 53</i>
BL 29		Local problems only. (<i>Level with S3</i>)
BL 30		Local problems only. <i>Level with S4, coupled with BL 54</i>
	End of 1 st and 2 nd Bladder lines	
BL 31-35		Treat local problems only. Located over the Sacral Foramen, except for BL 35 which is level with the tip of the coccyx and lateral by ½ cun.

Point	Category	Indications and notes
BL 36-38		(Nuttin' much to write home about)
BL 39	Lower He Sea of San Jiao	Remember the category.
BL 40	He Sea/Lower He Sea of Bladder Command pt of Back, Lower back	<ol style="list-style-type: none"> 1. He Sea/Lower He Sea of Bladder – remember the category. 2. Command Point of Back/Lower Back Best distal point for back pain and lower back pain! 3. Clear heat Includes skin problems and skin diseases from blood heat
BL 55		Local problems
BL 56		Local problems and hemorrhoids
BL 57		Local problems and hemorrhoids.
BL 58	Luo Connecting of Bladder	<p>Luo Connection Point of Bladder:</p> <ol style="list-style-type: none"> 1. Treat disorders of int/ext related channels and Zangfu. 2. BL 65	Shu Stream Point	Remember the category
BL 66	Ying Spring Point	Remember the category
BL 67	Jing Well Point	<ol style="list-style-type: none"> 1. Jing Well point – remember category 2. Regulate Kidney Qi 3. Turn fetus in the correct position.

Energetics III starts here!!

Pericardium Channel of the Hand Jueyin

Point	Categories	Indication/Contras/Cautions
P 1	Window of Sky Entry point of channel	Window of Sky applications 1. Inversion of Qi affecting... a. Lung b. Head <i>Remember Window of Sky points affect “disharmonies between head and body with Qi or blood rebellion.”</i>
P 2		
P 3	He Sea (water)	1. He Sea applications a. Counterflow of Qi and diarrhea, especially due to summer heat. Combine P3 + BL 40. 2. Clear heat from Ying/nutritive and Xue/blood levels 3. Local problems
P 4	Xi Cleft	Xi Cleft applications 1. Primary point for treating acute blood stasis causing chest and heart pain. 2. Bleeding due to heat in the upper jiao
P 5	Jing River Ghost (metal)	1. Jing River applications 2. Ghost point applications Manic-depression
P 6	Luo Connecting Confluent of Yin Wei	1. Luo Connecting applications a. Disorders of int/ext related channels/zangfu Stomach problems – nausea and vomiting b. Disorders of luo channel or areas reached by it i. Excess: chest pain ii. Deficiency: irritability c. Psycho-emotional disorders 2. Confluent of (opens to) Yin Wei applications a. Single most important point for pain and/or fullness of Heart, chest and lateral costal regions regardless of the etiology of the pain/fullness. <i>(Classic of Difficulties)</i> b. Disorders of chest <i>(Ode of the Obstructed River)</i>
P 7	Shu Stream Yuan Source Ghost (earth)	1. Shu Stream/Yuan Source applications a. Treats disorders of Zang - Strongly calms the spirit when disturbed by heat 2. Earth/child point applications a. Reduces heat or fire from the PC (fire) channel 3. Ghost point applications a. Emo probs caused by heat rising to disturb the Spirit.

Point	Categories	Indication/Contras/Cautions
P 8	Ying Spring Exit point (fire)	Ying Spring applications 1. Clears heat a. Clear heat from Ying/nutritive and Xue/blood levels b. Clear heat from Pericardium c. Drains stomach heat
P 9	Jing Well (wood)	(remember category and what Jing Well points do)

San Jiao Channel of the Hand Shaoyang

Point	Category	Indications/Contra/Caution
SJ 1	Jing Well (metal)	Remember the category only
SJ 2	Ying Spring (water)	<p>Ying Spring applications</p> <ol style="list-style-type: none"> 1. Clear heat from upper reaches of the channel: <ul style="list-style-type: none"> Ears Gums and teeth 2. Malaria <p>Shaoyang syndrome (involves PC/SJ, LV/GB channels)</p> <ol style="list-style-type: none"> 1. Alternating chills and fever 2. Pulse = wiry 3. Tongue = sides red, coating mixed yellow/white
		<p>Notes on Shaoyang syndromes:</p> <p>This is one of the 6 stages of disease. Taiyang is the first, in which an invading evil is on the surface/exterior. If a pathogen penetrates to the interior it becomes a Yangming syndrome, which is a bad thing since Yangming is rich in qi/blood and feeds the pathogen quite nicely.</p> <p>In between these 2 is the Shaoyang stage in which the pathogen is between the two. This stage tends to affect the Liv/GB, and PC/SJ channels/organs. Because the pathogen is moving from external to internal and is at the inbetween stage, the symptoms of fever and chills alternate as does the tongue coating. Because liver/gallbladder are involved the sides of the tongue are red and the pulse is wiry.</p> <p>Other symptoms, not on our test include: bitter taste in mouth (gb), blurred vision (lv), nausea/vomiting/diarrhea/bloating/poor app (all interiors), pain in the hypochon region (lv/gb), irritability/palpitations/irregular heartbeat (pc)</p>
SJ 3	Shu Stream (wood)	<ol style="list-style-type: none"> 1. One of most important <i>distal</i> points for treating ear disorders due to <i>any</i> pathology. 2. Malaria
